RE: Cardiovascular Perfusion Services

Trident offers **solutions** to you: whether you're already using contract services for perfusion staffing and want to compare, or, your staff are hospital based and you feel that costs are going through the roof or your caseload is diminishing.

TRIDENT can help develop a cost-effective program that will not only enhance your bottom line, but maintain and possibly improve the quality of your program.

Trident provides 24 hour coverage, 365 days per year for all open-heart procedures on both a long term contract and locum tenens basis. We offer a proven concept that works: hospitals using outside, certified
